

Would you like to own your own Micro-Enterprise Business?

(A micro-enterprise is a small business that you can start and own.)

Create Your Path To Success!

We can help you learn to develop and run a micro-enterprise business based upon your interests and strengths.

Through education and support, this class will explore different types of micro-enterprises, and teach you the skills needed to develop a profitable business.

Two Class Sessions Available!

6-week Sessions - \$200 (Cash or check accepted)

(Minimum - 4 participants, Maximum - 6)

From hydroponics to jewelry-making, painting and more, you will learn to launch your own ideas into opportunities of self-employment.

Option 1: September 9, 2017 - November 17, 2017

Class Schedule: Saturdays from 9am - Noon

9am-10am:	Business Class
10am-11am:	Experiential and Supported Creation
11am - 12 noon:	Lunch / Independent Production

Option 2: September 12, 2017 - October 17, 2017

Class Schedule: Tuesdays & Thursdays for 3 hours in the evening

This class will include Business Class, Experiential/Supported Creation and Independent Production.
