

Would you like to own your own Micro-Enterprise Business?

(A micro-enterprise is a small business that you can start and own.)

Create Your Path To Success!

We can help you learn how to develop and run a micro-enterprise business based upon your interests and strengths.

In this class, individuals will learn how to take an idea and launch it into an opportunity for self-employment.

Through education and support, this class will explore different types of micro-enterprises, and teach you the skills needed to develop a profitable business.

From hydroponics to jewelry-making, painting and more, you will learn how to launch your own ideas into opportunities.
